RE: Award of Bid for Animal Kennel

Dear Mr. Fontenot:

Thank you for your recent quote for the above-referenced project. Unfortunately, our requirements were not met in order to be both responsive and responsible. The Uniform Construction Bid Form was not used (page 17 of the Bid Package) by your business. Also, it is required that we receive affirmation that you are duly authorized to represent your firm (Page 18 of the bid package). And last, you did not acknowledge the addendum for the project. Since these discrepancies were in place with the quote received from Garrison, we were forced to go with the next low bid.

If you should have any questions or need additional information, please do not hesitate to call.

Respectfully,

Tammy Wilson
Administrative Assistant
