

BEAUREGARD PARISH BURN PERMIT REQUIREMENTS

FOR BURNING OF NATURAL VEGETATION ONLY

EFFECTIVE: September 16, 2020, 09:00 a.m.

PERMITTEE UPON ACCEPTANCE OF THIS PERMIT
AGREES TO THE FOLLOWING CONDITIONS:

1. Do not conduct burning during windy conditions. Cease burning should wind conditions at burn site exceed fifteen (15) mph. If in doubt, **do not burn and call your local fire department for advice!**
2. Smoke shall not discharge material which has an offensive odor, or which may be injurious or detrimental to health and safety of others.
3. Do not burn garbage (waste food products, dead animals, fish, or fowl), oil, rubber, plastic, tar paper or asphalt products, including demolition or construction materials.
4. Burn in open area, at least thirty (30) feet from structure or combustible surface.
5. A break to the ground of not less than ten (10) feet shall be maintained around all fires.
6. A person must always attend the fire and a garden hose attached to a pressurized water supply shall be immediately available and functional for emergency use. In addition, have available a shovel and rake, or hoe.
7. A copy or electronic copy of this burn permit must be in the responsible person's possession at the burn site. Any damages resulting from failure of the permittee to maintain control of their permitted fire are the sole responsibility of the permittee.

Persons participating in open burning activities do so at their own risk and may be held responsible for the costs of suppressing escaped or uncontrolled fires.

**Burn Permits may be obtained by calling 337-463-7019.
There is no cost for the permit.**
